

Is Great Music a Mystery to You?

SOMETIMES you see a reference in a newspaper or a magazine to some composer with whom you are wholly unfamiliar. You would like to know what kind of music that composer wrote—why it is that he has become so famous. You wish that someone in the household could play for you representative works of that composer.

The Pianola Piano

IS THE "OPEN SESAME" TO ALL MUSIC.

It answers all your musical questions—it is a veritable encyclopedia of music. It follows wherever your desires and your tastes lead. Over 15,000 compositions await the enjoyment of the owner of a Pianola or Pianola Piano. No music is too simple or too great for the conquest of the Pianolists.

CAUTION: There is only one Pianola. Do not make the mistake of supposing that you can go into any music store and buy the genuine Pianola and Pianola Piano.

THE WASHINGTON BIBLE. The Fredericksburg Lodge of Masons, which possesses the Bible on which Washington was sworn, passed and raised, and also the records showing when he was given his degree in that lodge, has been somewhat annoyed recently by a story which was given wide publicity to the effect that the Lodge of Antiquity, of Montreal, Canada, is the possessor of the Bible on which Washington was obligated as a Mason. In order to clear up the matter Clarence R. Howard, past-master of the Fredericksburg Lodge, wrote to the Montreal lodge and has received a reply in which it is shown that the story was unauthorized. "We do not question the claim of Fredericksburg lodge," says the secretary of the Montreal lodge, "to having initiated, passed and raised our illustrious first president, George Washington; you have the records and also the Bible, as shown by Brother S. J. Quinn, your past grandmaster, in his historical sketch of your lodge."

MAN, SUPPOSED DEAD, RETURNS.

About five years ago, Will Lowery, a fisherman and oyster tinner, of Northumberland county, and his wife went to Baltimore. They visited relatives and started on the return trip. While waiting for the boat at the wharf in some way they became separated. Lowery disappeared. His wife remained on the boat and came home. Nothing was heard of Lowery for a week, until a boat, supposed to be a fisherman's yawl, brought to Coana a body identified by many as Lowery's. His widow collected her husband's life insurance, and later married again. Now, at this late date, comes the intelligence that Lowery is alive and has been seen in the neighborhood of his home. People who know him say that his story is that he was shanghaied while on the wharf and put aboard a ship for China.

Fever Sores.

Fever sores and old chronic sores should not be treated entirely, but should be kept in healthy condition. This can be done by applying Chamberlain's Salve. This salve has no superior for this purpose. It is also most excellent for chapped hands, sore nipples, burns and diseases of the skin. For sale by W. F. Creighton & Co., and Richard Gibson.

VOLCANO STARTS A GREAT FLOOD.

A dispatch from Lucena, in the Taya-bas province, confirms the report of a volcanic disturbance there and states that the greater damage was done in the fields under cultivation. The roads and bridges in the neighborhood of Salaya were destroyed. All the damage reported was done by the inundation which followed the outbreak of the volcano of Lagunas and was caused by an explosion which let loose the waters of a mountain lake. The explosion in Lagunas volcano continued, according to the dispatch and were very severe between 8 and 9 o'clock Wednesday night. The eruptions apparently have been slight.

Don't Take the Risk.

When you have a bad cough or cold do not let it drag along until it becomes chronic bronchitis, or develops into an attack of pneumonia, but give it the attention it deserves and get rid of it. Take Chamberlain's Cough Remedy and you are sure of prompt relief. From a small beginning the sale and use of this preparation has extended to all parts of the United States and to many foreign countries. Its many remarkable cures of coughs and colds have won for it this wide reputation and extensive use. Sold by W. F. Creighton & Co. and Richard Gibson.

Cocaine which dulls the Nerves never cures Nasal Catarrh. The heavy feeling in the forehead, the stinging sensation and the watery discharge from eyes and nose, along with the other miseries attending the disease, are put to rest by Ely's Cream Balm. Small and taste are restored, breathing is made normal. Until you try this remedy, you can form no idea of the good it will do you. Is applied directly to the nose spot. All druggists, 50c.
